

KMK721000M BI Oven

Combination microwave with grill, for optimum results

Crisp up a crust at the touch of a button with our Microwave with Grill function. From the crispy topping on a lasagne to the crackable lid of a crème brûlée, recreate the textures and tastes of slow oven cooking with the speed and efficiency of a microwave.

Save space without compromising on functionality

This compact microwave oven allows you to successfully cook, grill, re-heat or defrost any dish at the same high-performance level as a larger model. As a result, you can get the most out of your cooking space and prepare a wide variety of dishes all in one

A quicker way to toast and crisp

This highly efficient grill takes less time than traditional ovens, and will toast, crisp or brown your dishes to precision.
