

Corner-to-corner. Covered

Even closely-stacked or larger dishes receive corner-to-corner cleaning with SatelliteClean®. The innovative spray arm guarantees water reaches everywhere. For deep-cleaning. With up to three-times better spray coverage, it provides stunning results across every surface.

Product Benefits & Features

Powerful dishwashing. With SatelliteClean®

Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

Water reaches every corner. With the Dual Spray Arms

Ensure maximum water coverage with two spray arms. The rotating sprinklers send water jets into every corner of both the lower and upper basket, for dishwashing results you can rely on.

QuickLift basket adjusts its height so you can get dishes easily

Indulge in the efficient amenities provided by the QuickLift basket. Regardless if you have a full load with bulky items, you can effortlessly adjust the height so you can easily load or remove dishes.

Fast and efficient performance

This dishwasher gives you perfect performance - fast, thanks to its special half-hour program.
