- Cutlery basket
- Lower basket with 4 foldable plate racks, Plastic handle, Spray Zone
- AQUA-CONTROL
- Installation in height
- GlassProtectionSystem
- Indications for salt and rinse aid

Powerful dishwashing. With SatelliteClean®

Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

Open-door drying with AirDry

AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

Effortless cycle-setting with QuickSelect

QuickSelect offers optimal control over the dishwasher. Choose the cycle time with the slider and add extra treatments with a tap. Then the machine will do the rest. Get tailored cleaning delivered at a time that suits. And spotless dishes.

At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.
