

FSK93800P Dishwasher

LIFTS GENTLE TO A NEW LEVEL

The new unique AEG Comfortlift dishwasher is the first dishwasher in the world that lets you gently slide and lift the lower basket upwards. Your gleaming dishes and cookware are gently brought up to a convenient working height. Allowing you to unload

Always gentle on dishes

With ComfortRails, you can smoothly slide the basket into place without any rattle of the plates. Always smooth to load and unload. You never have to worry about any chips or cracks in your dishes.

Easily load and unload all utensils

This dishwasher's spacious, removable cutlery tray makes loading, washing and unloading your cutlery and utensils easier than ever before. Specially designed to offer optimal space and functionality, it has capacity for up to 13 cutlery settings, as well as
