

47795IQ-WN FS Cooker

Exactly the right function for every dish

This cooker's large, multi-functional oven features nine separate cooking functions for outstanding results no matter what's on the menu.

Improved access to enable thorough cleaning

The glass door of this oven can be completely removed, which provides better access for cleaning the oven even more thoroughly.

The perfect place to store your cooker's accessories

With an integrated drawer at the bottom of this cooker, you have the perfect solution for storing all your cookers' accessories.
