

## HK312000MB BI Hob

### Customise your kitchen to your exact needs

The modular system of this hob provides you with maximum flexibility when designing your kitchen. You can make sure the final layout meets your own individual needs.

### Different sizes for efficient cooking

Thanks to two different-sized cooking zones, you can cook more efficiently when using different sized pots and pans.

### The effective hob that protects you from burns

Thanks to its specially designed residual heat indicator, this hob will show you if the hob is still hot, protecting you from burns.

### More Benefits :

- Flat, scratch-resistant surface for simple cleaning
