

HKL85410XB BI Hob

The adaptable surface for every pan

The MaxiSense® induction hob has self-sizing cooking zones. That means each zone detects the sizes and shapes of the pans you're using, however large or small, and sends immediate heat to fit their bases exactly. So you have complete control, and the

Cook without distractions

This hob has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. It means you don't get distracted by trying to regulate the fan when you're at crucial cooking moments: you can simply concentrate on getting your dish right. But

Sensitive controls for precision cooking

The Direct Touch controls on this hob help you get delicious results every time you cook. Slide controls let you turn the heat up, down or off with such accuracy that you get the response you want at just the right moment. So whatever mouth-watering meal you're cooking, induction helps you make it just the way you want to.

More Benefits :

- Multi-cookware zone for specialised pots and pans
