

IKE95474XB BI Hob

Versatility for every purpose

Preparing many dishes at the same time or cooking for a dinner party? This hob is made for those occasions when you need more options, with equally tasty results. It's FlexiBridge feature means you can customize your own cooking area, combining up to 4

Smoother, speedier heat shifts

From boiling to simmering to keeping warm: when you need repeated quick heat changes to create a dish, use PowerSlide. Simply slide your pan from heat to heat, without stopping to adjust temperatures up and down as you're cooking. PowerSlide lets you fix different pre-set heats on part of your hob: choose your own, or use the hob's own pre-sets.

Switch directly to exactly the right temperature

This hob's direct-access heat controls enable you to switch directly to exactly the right temperature. Simply touch the correct level on the slide control.
