

ZHP60260WA Cooker Hood

Now you see it, now you don't!

This clever hood that pulls out from the wall when you need it and folds away when you're done is the perfect solution when kitchen space is at a premium.

Ensures your kitchen will always smell nice and fresh!

Three speed levels give you exactly the amount of air power you need, from high when frying, to low when you just want to refresh the kitchen air.

Because cooking isn't always about 'one thing at a time'!

The front controls on this cooker hood let you easily reach and quickly adjust the speed level with one hand, even if you're doing something else with the other!
