Because bottles should stay upright – not on their side!

No more spills! The bottle holder on the balconies of the refrigerator door keeps your bottles in a stable, upright position so they can't fall over and leak.

Check what's in your freezer at a glance

No more opening and closing freezer drawers to check what's inside – these are transparent, so you can see what you have in stock at a glance.

Now it's much easier and quicker to keep your fridge freezer clean

The removable shelves and door balconies in the refrigerator make it possible to clean it much faster, easier and more thoroughly with less effort.
